Travis Brown

Campaign Finance Analyst

Dear Mr. Brown,

I have today filed an amendment to our 2005 year end report.

The error on our year end Form 3Z-1 occurred because the default cycle for on-line contributions had been set for the 2004 cycle rather than the 2006 cycle. The default has now been changed to reflect the proper cycle.

Totals on Form 3Z-1 should now be correct.

Treasurer
